

LiteRamp™ Portable Wheelchair Ramps

Extending Mobility with LiteRamp™

- Easy to use. No installation is required. Carries like suitcases
- Work for all wheelchairs and scooters
- Versatility: can be used by electrical or manual chairs and 3-wheel scooters on thresholds, curbs, entrances, side or back doors of most vans, back doors of most SUV's, and tail gates of most pickup trucks
- 2-piece design (6, 7, 8, 10-ft only) reduces carrying weight and storage size
Lock and unlock the two pieces via simple sliding action
- Made of aircraft-grade aluminum. Light weight, sturdy, and strong
- Working surface is fully covered with non-skid tape with excellent traction
- Suitable for both indoor/outdoor usages (built with anodized aluminum)
- Multiple carrying handles eliminate finger pinch
- Anchor hole provided for semi-permanent mounting for trailers, decks, etc
- 1-year warranty. 14-day return policy. No re-stocking fees
- Fast shipping: same day shipping for orders received before 5PM EST

Width x Length	Folded Size	Load Capacity	Style	Section Weight	Total Weight
